Ease of Use

One-click Activation

Quick Water Release

Easy to Clean 1L Filter Cartridge

Charging Dock

4 Color LED Indicators:
White, Green, Blue, Red

Less than 50dB

*** Important Tip: Please rinse the
filter cartridge if the suction becomes
weak, because it may be blocked by
debris.**

Aiper Pilot H2

Key Features

Powerful Performance

A powerful motor and streamlined internal structure enhance water flow, suction, and cleaning capabilities. Dirt, sand, leaves, and other debris are collected with ease by the Aiper Pilot H2. Great for above-ground pools, pool stairs, inflatable pools, and those troublesome corners of pools, the Pilot H2 is your most versatile pool cleaning solution.

Two Cleaning Modes

No cleaning job is the same, so the Pilot H2 comes with two cleaning modes. Standard Mode: 21GPM, or for the tougher cleaning challenges, Power Mode: 29GPM with enhanced suction, filtration, and cleaning power. All making the Pilot H2 a great sidekick to any Aiper Cordless Robotic Pool Cleaner.

Improved Battery Life

Fully charged in just two hours, the Pilot H2 provides up to 70 minutes of maximum cleaning efficiency.

Filter Canister

The 1L filter canister is easy to remove and clean, making maintenance and storage a snap.

LED Indicators

The Aiper Pilot H2 communicates the unit's status via a 4-color LED indicator, so you're always on top of your cleaning game.

Dual Vacuum Heads

With a straight-line vacuum head and a brush-tipped vacuum head, the Pilot H2 can clean more surfaces and areas of your pool than before.

Comfortably Quiet

Measuring less than 50dB, the Aiper Pilot H2 won't disturb your oasis with unwanted, overwhelming noises.

Specs

- Battery Capacity : 2600 mAh
- Charging Time : 2 Hours
- Battery Life : 70 Mins or 45 Mins
- Suction Power: 29 GPM (110 LPM) MAX
21 GPM (80 LPM) MIN

What's in the box

- 1x Aiper Pilot H2
- 1x User Manual
- 1x Charging Dock
- 1x Charger
