

#### **APPLICATIONS**

Ideal for swimming pool applications such as:

- Filtration
- Auto pool cleaning
- Backwashing
- Water features
- Spa jet operation
- Solar pool heating
- · Gas and heat pump pool heating

# **Whisper**<sup>™</sup>

### **Swimming Pool and Solar Pump**

A compact pump for small to medium sized above and below ground pools and solar pool heating applications.

## WHY CHOOSE THE Davey Whisper™ pool and solar pump?

Ideal for small pools, above ground pools and solar pool heating applications

- Compact dimensions
  - perfect for tight spaces
- Designed for durability and long life using corrosion resistant, UV stabilised materials
- High quality, reliable pump with low power usage
- Clear leaf basket lid designed for easy access and inspection of filtered debris
- Built in thermal overload protection, protects motor from low voltage or jammed pump
- Barrel union connections for easy pump installation
- Includes integrated check valve in the discharge

### Whisper<sup>™</sup> Pool and Solar Pump

ELECTRICAL DATA								
Model	500	1000						
Voltage (V)	220-250							
Supply Frequency / Phase	50Hz / 1							
Run Current (A)	1.9	2.7	3.5					
Motor Input Power (W)	450	650	850					
Motor Output Power (W)	250	370	750					
RPM	2900							
Enclosure Class	IPX5							
Insulation Class	F							
Approval No.	SGSEA / 120914 or SGS555							

OPERATING LIMITS							
Maximum water temperature	35°C						
Maximum ambient temperature	50°C						

DIMENSIONS (mm)
